

SINGLE WINDOW DISPLAY PROGRAM

The new vinyl single window display by Gerkin is attractively designed to increase sales and product offering to your customers and will complement any showroom. Designed with portability in mind, the single window display comes with wheels for easy maneuverability. The display includes a two-sided header graphic, a brochure holder and two sided informational graphics on the display. Display dimensions are 40"W X 83"H. Any Gerkin Comfort Series® vinyl window can be ordered for your particular needs. Ask your Gerkin Sales Representative about pricing and earned display credits.
