

## COMFORT SERIES® BOWS

Whether, a room needs to feel a little more open, space is a premium or some character is needed, Gerkin fits the need with our bow windows! Gerkin factory mulls all bows with heavy corner posts and a ready to use cable support system. All bows come complete with natural oak or birch head and seat boards. Bow windows give a unique look with a traditional appearance and smooth lines. Bow windows can have four or more windows in the opening and offer several different projections for a custom appearance.
